WEEK OF

ROOM OR CLASS

SEASON OR THEME

A note from your teachers

Two or three sentences in your own voice. What went well, what the children were into, one small moment worth telling.

What we are learning

Theme, books, songs, skills we practiced

THEME

LETTER, NUMBER, OR COLOR OF THE
WEEK

Books we read, songs we sang, art and sensory play, and the skills behind them (sharing, scissor grip, counting to ten).

Try this at home

One or two easy ideas that extend the week: a song to sing in the car, a book from the library, letting them pour their own water.
